

iMovie

WHAT IS IMOVIE?

iMovie helps you create movies. You can make movies on your Mac or on the iPad. You can make movies for entertainment or to teach a concept. There are many options for the movie.

HOW DOES IMOVIE SUPPORT LEARNING?

iMovie Supports Learning by having kids create movies to show what they know. Your students could create commercials and public service announcements. They can act out scenes from a book and creatively put them into a movie.

Cost: \$4.99

(half price when you buy more than 20)
