

My Story

WHAT IS My Story?

My Story is an app where you can make a story using stickers, photos, text, voice, and other tools. This app is good for the K-2 student.

HOW DOES My Story SUPPORT LEARNING?

My story promotes learning by having students make stories that they can share with their class and helps promote creativity. They can create a story about a science project, make a story on their understanding of the math unit, or turn a written story into an illustrated story complete with voice on the iPad. This app may help kids grammar and creativity too.
