

# Write About This

## WHAT IS Write About This?

Write About This is a way that kids can write with a writing prompt and then record themselves reading their story.

## HOW DOES Write About This SUPPORT LEARNING?

It promotes writing because it makes writing a little more fun. Students will use a writing prompt, write their entry, and then record audio. From there, the writing can be emailed to the teacher and the teacher can use this as evidence to support the Common Core in writing. There are 3 different levels of writing prompts, so teachers can choose which level is best for the student. The free version has one prompt per category, but the paid version unlocks them all. Teachers can also use their own writing prompts and customize them for their class.

Cost: Free but to unlock more characters, it costs \$3.99 (half price if you purchase more than 20)
